

Pray for our Missionaries – Romans 15:30-33

Heavenly Father, I pray that You will work in and through _____ today. Give them wisdom and spiritual vitality through the time they spend with You. May they be sensitive to the opportunities you have provided to serve Christ, and courageous in teaching the Truth. Lord, protect them from all who want destroy Your work and guard them from people and situations that could harm them. Please help them respond appropriately to the culture around them and humbly adjust actions and attitudes that are offensive to others. Dear Lord, keep their minds focused on the cross. As they proclaim your Gospel, open the hearts of many to the matchless grace and love of Your Son, our Savior, Jesus Christ.

Amen.
