WHAT IS GIFTS TO CHRIST?

Our birthday gift to Jesus! For over 30 years, family and friends of Washington Heights have come together to give a gift to Christ that we feel will honor Him. We believe supporting those whose lives are devoted to full-time service is the best way to do this.

The projects chosen by our missions committee and church leadership offer us a chance to make a difference in the lives of people close to home and around the world, from Dayton to Africa. Most projects supply something difficult or impossible for those involved to provide for themselves. Some will meet the most basic needs. In Matthew 25, Jesus tells us that whatever we do for others is the same as doing it for Him. Let us make Jesus as important on our Christmas giving list as anyone else. Please prayerfully review the projects, then make your gift as though you are giving to Christ—because you are! Let's pray for God to direct our giving for His glory and the advancement of His Kingdom.
