Women's Retreat FAQ's

What time is check-in open on Friday?

Check-in will begin at 5:00 PM and dinner is served at 6:00 PM.

What time do we head home on Sunday?

We will have lunch together after our Sunday morning service, and head home by 1 PM

What's the deal with food?

Dinner on Friday, 3 meals on Saturday, breakfast and lunch on Sunday, and snacks throughout the weekend will be provided. If you have any dietary needs, please be sure to indicate that when you register.

Do I really get my own bedroom and my own bathroom?

Here's the detailed info on that . . . yes, probably. If we max out the spaces available, there is the possibility that a few people will have to share a shower and restroom facilities. A few of the rooms have their own sink only. But over half of the rooms have their own complete bathroom. First come first serve on that. There are also a few rooms that are ADA compliant. If you need this, please send us a message when you register.

What do I need to bring?

Clothes and toiletries for the weekend. Your Bible and a notebook. Bed linens and towels are provided. The majority of our activities will be indoors, but there are some outdoor spaces and places to stroll. Bring jackets if you want to be outside.

Also, feel free to bring any individual craft items (knitting, cross-stitch, etc.) that you just never have time to do. There will be some free time on Saturday afternoon, maybe you can get some of your personal projects done, while chatting with friends.

What's the deal with driving and parking?

You may drive yourself to the location or carpool. Once registration has closed, you will receive an email with additional information. This email will ask your transportation preference. Unless you have a need to drive yourself, we encourage you to carpool, as parking space is a tad limited at our location. If your car is coming to the center, we will need to get your info for a parking pass.

What Can I expect?

- Three combined sessions that will include worship with a guest worship leader and videos covering our topic "Seek His Face: Cultivating a Life of Persistent Prayer in a Noisy World" by The Gospel Coalition.
- Discussion groups on the Session Topics
- Time for individual prayer, devotions, scripture reading, etc.
- Fun fellowship
- Options to choose from during Saturday afternoon free time. You can do as many of them as you want or none of them. There is no shame in taking a nap or doing all the things!
- Sunday morning church service in a beautiful 100 year old chapel
