How Kids Can Help MAF!

Wow! What a great adventure we've been on together! Kody and I are so glad we're a part of the MAF team. Would you like to be a part of the team too? We have **3** great ways you can do that, no matter how old you are or where you live!

1 Help Send Supplies

You can help MAF bring supplies to people around the world who need help like those you've just been reading about. **Unscramble the words** in the Word Bank, then **write the name** of each item under its stack of crates.

Word Bank
hcsolo supplies
live hckcis
iBlesb
demcial help

Now help MAF load the airplane! **Write the number** of the item you'd like to help supply on one of the empty crates in the airplane. (You can write more than one item if you want!) Talk with your parents about how you can save, earn, or raise money to help with this project.

2

Adopt an Airplane

How would you like to adopt a real airplane? You can with MAF! To adopt an MAF airplane, you give money to help pay for that airplane's fuel, maintenance costs, and the repairs it needs to keep it running safely. We want to introduce you to the airplanes that serve in the countries we visited. **Color the airplanes,** then **draw a cloud** around the one you think it would be most fun to adopt.

Find out how to adopt the airplane you chose at maf.org.
